

Summer Session at Fishburne!

June 22 – July 27, 2019

Leadership Education Training - JROTC

Fishburne is one of only a few schools that offers a summer LET course. A cooperative venture between the US Army and high schools, this curriculum focuses on character education, student achievement, wellness, leadership, and diversity. This course also includes field learning experiences, including a visit to the Virginia Military Institute's George Marshall Museum and Archives.

Flight Training Program

In collaboration with Eagles Nest Airport. Students will learn about aviation through both classroom and hands-on experience. \$350

Weekend Activities

During the weekends, cadets are offered various activities. Day trips will include: Luray Caverns, Massanutten Waterpark, Kings Dominion, and Skyline Paintball.

Afternoon Sports

In the afternoon, cadets participate in intramural sports, including: Football strength and conditioning, basketball, soccer, swimming and running, tennis, golf (\$100), or Rifle (\$100).

Wed. Afternoon Drill

Wednesday afternoon is reserved for JROTC related activities. During this time, boys will participate in team building, rappelling, one rope bridge, drill, and more!
