

Dear Fishburne Supporter,

Thank you for your interest in making a charitable gift to Fishburne Military School in the form of a Stock Transfer.

For stocks held in brokerage accounts, your broker can assist you in making a gift of stock via a direct transfer to Fishburne Military School. Giving a gift of publicly traded stock which has increased in value and has been owned for more than one year may provide better tax benefits than giving cash. Your charitable income tax deduction will equal the fair market value of the stock donated and you avoid paying the capital gains tax on any appreciation over the original cost. You may also save on brokerage fees as you are transferring ownership rather than selling the stock.

If you would like to make a donation of stock to The Fishburne-Hudgins Educational Foundation, Inc. (Tax ID# 54-0537218), please note the following:
