

FISHBURNE MILITARY SCHOOL

SENTRY SQUARE – BRICK PAVER PROJECT

The Board of Trustees of the Fishburne-Hudgins Educational Foundation, Inc., and Fishburne Military School invites all Alumni, current and past Faculty, Staff, and Friends of Fishburne to join us in sustaining the **Legacy of Fishburne** while memorizing those who have made the school what it is today. You're welcome to purchase an engraved Brick Paver to be placed in the walkways of the Quadrangle.

Purpose – To create a place to honor those past, present, and future who supported the **Legacy of Fishburne** as Alumni, Trustees, Past and Present Parents/Grandparents, Faculty, Staff, and Friends of Fishburne.

Location – The Quadrangle was chosen because it is the center of the **Fishburne Experience**. It allows for expansion along the six walkways and eventually the apron as the Brick Paver Project over time.

The Name – The center of the Quadrangle will be called Sentry Square, which honors the location of the original guardhouse Sentry Box, the historic Quadrangle, and because the Bricks and the individuals they represent stand perpetually to “guard” the **Fishburne Legacy**.

Sentry Square - In 2005, the site of the original Sentry Box, which centered Fishburne's historic Quadrangle, was rededicated to honor those Alumni, Faculty, Staff, Trustees, and Friends of Fishburne who have faithfully guarded the honor, traditions, and memories of this hallowed and historic school.

The Founder's Stone – Professor James Abbott Fishburne - The stone recognizes **Professor Fishburne's Legacy**. Sentry Square will be limited to individual bricks and divided into two areas.

- **Commanders of The Guard** - These are placed at the center of the Quadrangle within an approximate outline of the original Sentry Box and have limited space available.
- **The Guardians** – The remainder of Sentry Square has over 500 Brick Paver spaces available with the option to expand.

Fishburne Military School reserves the right to reject any purchase and will retain editorial control over the Brick Paver engraving.

Individuals are encouraged to purchase a Brick Paver (s) for those who have passed before, including classmates, faculty, and staff, and to commemorate class reunions, graduations, or a special date.

Brick Pavers will be available at the following prices:

Commanders of The Guard

A 4 x 8 Brick Paver with three lines of engraving to be placed in the center of the Quadrangle will cost **\$1,000.00**.

The Guardians

A 4 X 8 Brick Paver with three lines of engraving to be placed in the center of the Quadrangle will cost **\$500.00**.

Secure a Legacy

Fishburne Military School invites you to purchase a Brick Paver and find your space to **Secure a Legacy!**

Fill in your inscription by printing in all capital letters in the spaces below.

Engraving Information:

- Three lines per Brick Paver
- 15 characters per line (this includes spaces and punctuation)

To ensure your Brick Paver is ordered in time for Alumni Weekend 2024, please get your order in by March 15, 2024.
